SUPPLIER BANK ACCOUNT

The "Bank Verification Status" field indicates that the bank account details submitted by the supplier exist at the bank and that the bank account details are valid. However, as this supplier does not have an identifying number (like a South African ID number, or Company Registration number, or NPO number or Trust number) linked to their bank account details at their respective bank, the CSD system cannot electronically verify that the bank account belongs to the specific supplier. The supply chain practitioner is therefore responsible to obtain supporting documentation to verify that this bank account belongs to this supplier.

Tips and Frequently Asked Questions (FAQ)

Identifier

CSD cannot electronically verify the identity of a supplier other than a South African Individual / Sole Proprietor (through Home Affairs) or a company registered at the Companies and Intellectual Property Commission (CIPC). For this reason, a disclaimer is displayed for supply chain practitioners to obtain supporting documentation to verify the identity and legitimacy of a supplier in these cases.

Bank

For help on how to resolve bank failures click here: [I received an email stating the bank information I captured on the CSD was sent for bank account validation and could not be validated. The response received from the bank contains an error message.](#)

The various possible error messages received from the bank are highlighted in red. Search for the applicable message and follow the detailed steps associated with that error message.

Tax

Tax Compliance Status

For help on how to deal with tax status differences between CSD and the tax clearance certificate click here: [What should a supplier do if the tax status on CSD difference from the tax clearance certificate?](#)

Tax Compliance Expiry Date
