

ISB / ASB 2019

Calgary, Canada
July 31 - August 4

Sponsorship Prospectus

Invitation

It is our pleasure to invite you to partner with the XXVII Congress of the International Society of Biomechanics 2019 (ISB 2019), which is held in conjunction with the 43rd annual meeting of the American Society of Biomechanics (ASB).

The ISB/ASB 2019 committee is confident that as a sponsor, you will be able to leverage the exposure to a large number of attendees, as well as champion programs aligned to the vision and values of your business. Our opportunities span from supporting social functions to recognizing scientific excellence with Award and Keynote support.

We also want to recognize and thank sponsors from our previous congresses who are intending to return, and welcome new organizations to best promote your products and services.

Congress Details

Please visit our website (<https://www.isb2019.com/>) for additional details regarding the schedule, organizing committee, accommodation and other details. Further information regarding the conference center can be found at (<http://www.calgary-convention.com/>).

Our Sponsorship Mission

It is our objective to provide simple, yet varied sponsorship opportunities, thus addressing the varied requirements of our partners. We plan to utilize traditional staples like banners, brochures, programs and websites, while providing a networking environment that fully leverages the world class exhibition hall.

We want to thank you for providing us with the opportunity to host your organization, and look forward to exceeding your expectations.
