

**Procurement
Australia™**

PROCUREMENT EXCELLENCE LAW SEMINAR

If you work in procurement then this full day intensive is for you. Developed using his years of experience in advising clients through the Procurement Process Scott Alden - Partner - Holding Redlich will equip you with all the Tips and Traps when running a procurement process as well as equip you to meet and maximise your procurement objectives.

Learn about Brand New Issues and Innovations in Procurement including:

The just released International Standard on Sustainable Procurement
Innovations in Market Approaches and Procurement Processes including ECI
Recently announced Federal Legislation making it easier for Tenderers to bring legal challenges against Government for tendering failures
Conflicts of Interest - what are they and how do we management them (presented through interactive case studies and scenarios)

With a series of presentations, and some interactive workshops, the day will also cover the following:

1. **Identifying the Need** - Business Case, Procurement Plan and Strategy including the Contract Model and designing the best tender document we can
2. **Probity in Procurement** - What does probity mean - understanding and dealing with conflicts of interest - what is a probity advisor - running a compliant process
3. **Legal Issues and Risks in Procurement** - Avoid Breaching the Process Contract, making binding representations and falling into common legal traps
4. **Tender Assessment** - how to choose the right entity for the right project
5. **Managing the Procurement** - top tips and best practice for procurement and contract management
6. **Top Ten Issues in Procurement**

Don't miss this intensive new law course that has been designed to follow on from Contract Law and Unfair Law Seminars

Procurement Australia subsidises this cost of this course for members, normally this would retail for \$900 + GST per person.

Cost \$400 + GST per person, inquire about a group discount or course delivery at your organisation.
