THE THEME
FOR OUR FIRST
MEETING OF
2018

'LEADERSHIP
IN DIFFICULT
ENVIRONMENTS'

ON THURSDAY 15
MARCH, WILL BE:

WITH A PRESENTATION BY
RAY ANDREWS - MANAGING DIRECTOR
OF ANDREWS GROUP PTY LTD

The interactive presentation will cover topics such as:

- + The sorts of difficult environments in which we find ourselves;
- + leadership as a choice – we can choose to lead, choose to follow or choose to get in the road;
- + the “types” of people we are expected to lead, and how to lead them;
- + finding direction in leadership, and motivating others to follow us; and
- + discussing what else makes a true leader.

About Ray: Ray is the founder and Managing Director of Andrews Group, a boutique research and strategy consultancy that has been servicing a broad array of industries across all three levels of government, and the private and not-for-profit sectors since 1986. With over 35 years' experience in business consulting, Ray's experience encompasses, in particular, leadership and management in complex and difficult business environments. Ray's worked across almost every business sector, and this extensive experience has given him a deep understanding of what constitutes good leadership in different environments, the key strategic and personnel challenges all leaders face and how to overcome them.

When: Thursday 15 March 2018

Where: Procurement Australia
Level 18 ,461 Bourke Street Melbourne

Time: 9:30am to 11:00am
(Noting the presentation will take place before the Let's Network meeting).

Bookings are essential
for this presentation.
